WORK WITH US

FRANCHISING PARLOR IN YOUR CITY

To open a Gelato Factory parlor with italian cafeteria service we need a **minimum area of 400 square feet**, in a good commercial position with a qualified audience and with the possibility of parking.

Our franchising system is based on **two phases**.

-The first one involves informal meetings and the delivery of the Disclosure Document, through which the candidate will have access to the guidelines of the franchise and the contract.

-The second phase starts after the signature of the contract with sessions of training, the delivery of the Manual and the development of all the marketing procedures.

We look for **franchisee profiles** with the following characteristics: **good sharing of the values that our brand wants to convey, with passion for healthy food and a genuine interest in the international cuisine**. With a will to succeed, ability to achieve goals and familiarity with commercial activities.

GELATO FACTORY CORNER IN YOUR RESTAURANT OR CAFETERIA

This is an opportunity for cafeterias and restaurants with an innovative, healthy and organic menu. With a culturally emancipated and young audience looking for healthy, natural and exotic products. **All you need is a glass top display cabinet**. There are various options, that can display from a minimum of 6 to a maximum of 36 flavors. It is important to consider that with the minimum space required and a small investment to purchase the freezer...

Gelato Factory will bring success, new resources and a touch of innovation!

RETAIL PACKS FOR GOURMET SHOPS

For gourmet and organic shops we offer the possibility to market our ice cream in **300 ml and 130 ml containers**. Our beautiful retail packs come in three different colors and diets: red for vegan, green for vegetarian and yellow with egg yolks.
